In the event that Company provides Broker/Producer with DID, Broker/Producer shall not be given access to, nor shall Broker/Producer attempt to develop on its own, any keys or codes that can be used to re-identify the data.

7. Creation of De-identified Data. In the event Broker/Producer wishes to convert Protected Health Information to DID, it must first subject its proposed plan for accomplishing the conversion to Company for Company's written approval, which shall not be unreasonably withheld provided such conversion meets the requirements of 45 C.F.R.
