

FINAL EXPENSE WHOLE LIFE

POLICY HIGHLIGHTS

The death of a loved one is distressful, but all too frequently, this hardship is compounded by a financial loss that could have been minimized or eliminated altogether with adequate life insurance. Your client may think a Final Expense policy is needed only to pay for a funeral, but these funds can also cover many other financial needs. In addition to funeral costs, a Final Expense policy can be used to alleviate other financial burdens, such as estate settlement costs, medical expenses, income replacement, outstanding debts, and even a college fund.
